OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 06 \$	FY 07 \$
Education, Dept.	GF - Cost	92,310	119,116

Note: GF=General Fund

Municipal Impact: None

Explanation

This resolution will result in a cost to the State Department of Education of \$92,310 in FY 06 and \$119,116 in FY 07 for two supplemental agreements with the State Vocational Federation of Teachers. These costs can be absorbed within existing appropriations since: (1) overtime costs have been reduced, (2) there are lower than anticipated accrued vacation and sick leave payments for retirees, (3) and schedule changes have reduced the need for additional class coverage, reducing personnel costs.

Assistant coaching positions for Golf, Rifle and Tennis programs are being added to the collective bargaining agreement. There will be approximately 30 assistant coach positions added at Technical High Schools. The FY 06 cost for the 30 assistant coach positions is approximately \$92,310 (30 coaches x \$3,077 per coach). The FY 07 cost increases to \$95,070 (30 coaches x \$3,169 per coach).

Effective in FY 07, the work year for teachers in the Aviation Program is extended to accommodate a change in the program's curriculum. Students will now complete the program in two academic years, rather than three. This change will extend the school year 10 days. The FY 07 cost for the six teachers in the Aviation Program to work an additional 10 days is estimated to be \$24,046 (6 teachers x \$400 per day x 10 days).
